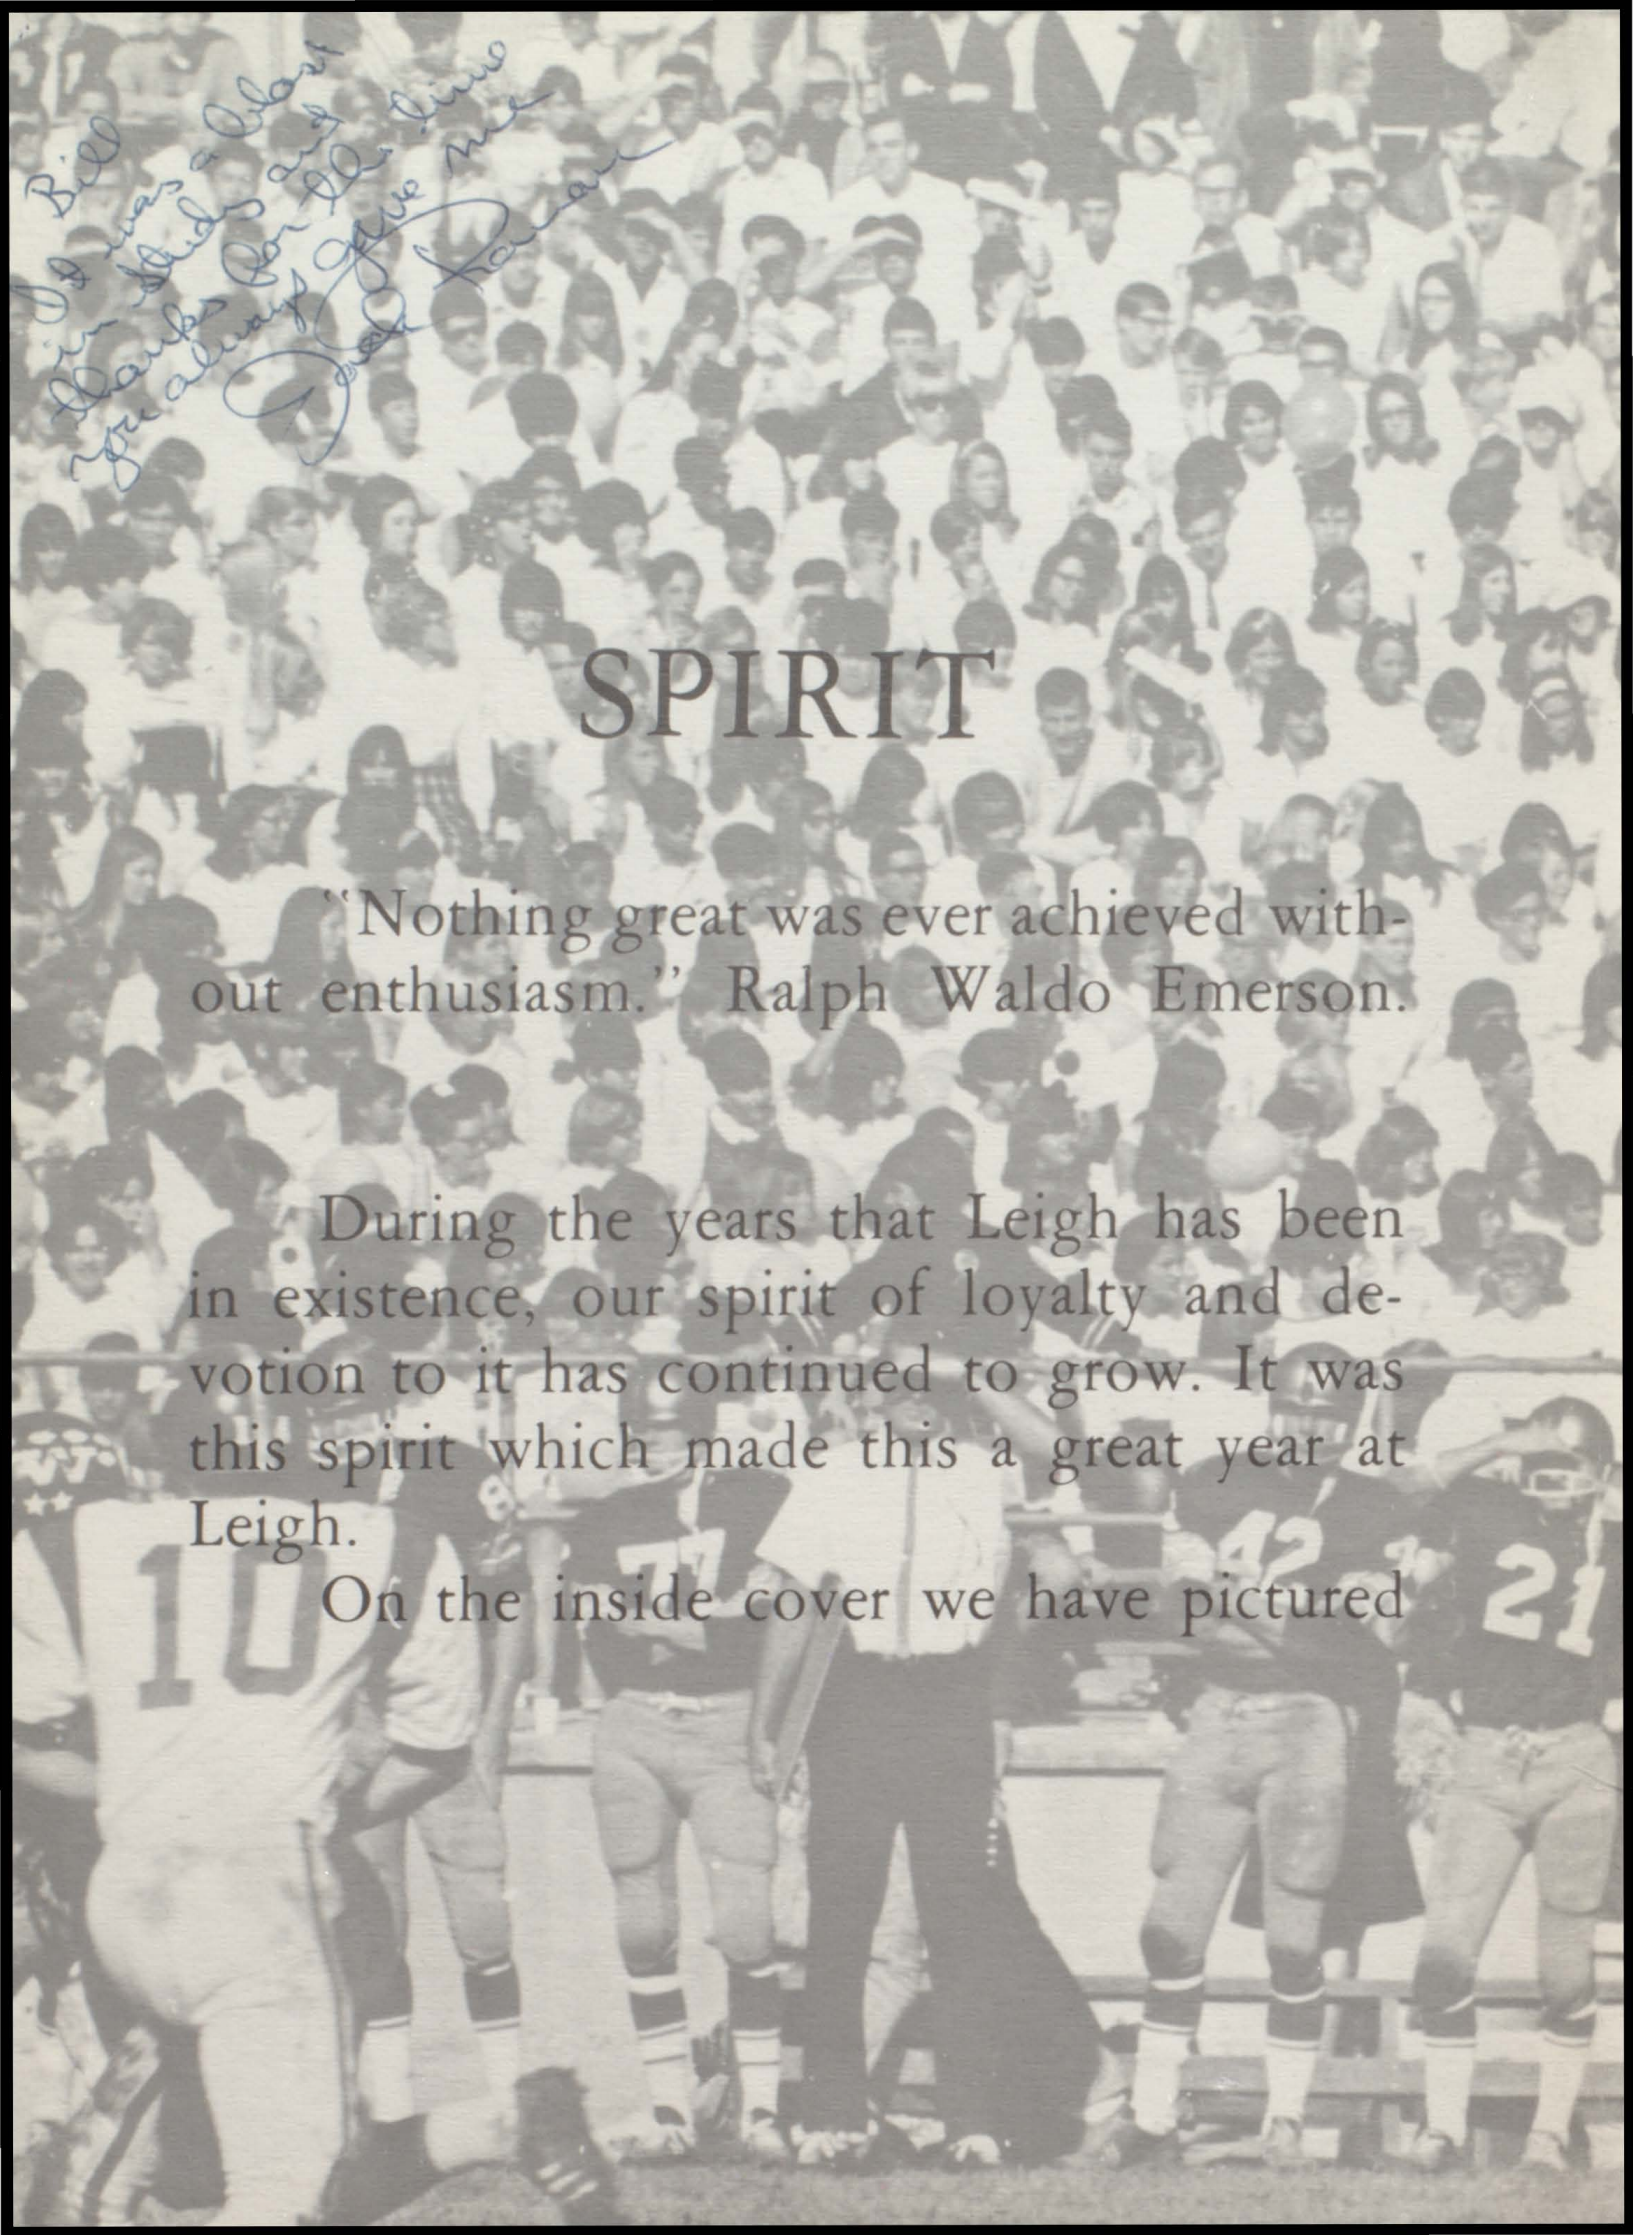
LEIGH HIGH

VOL 5

SAN JOSE, CALIF.

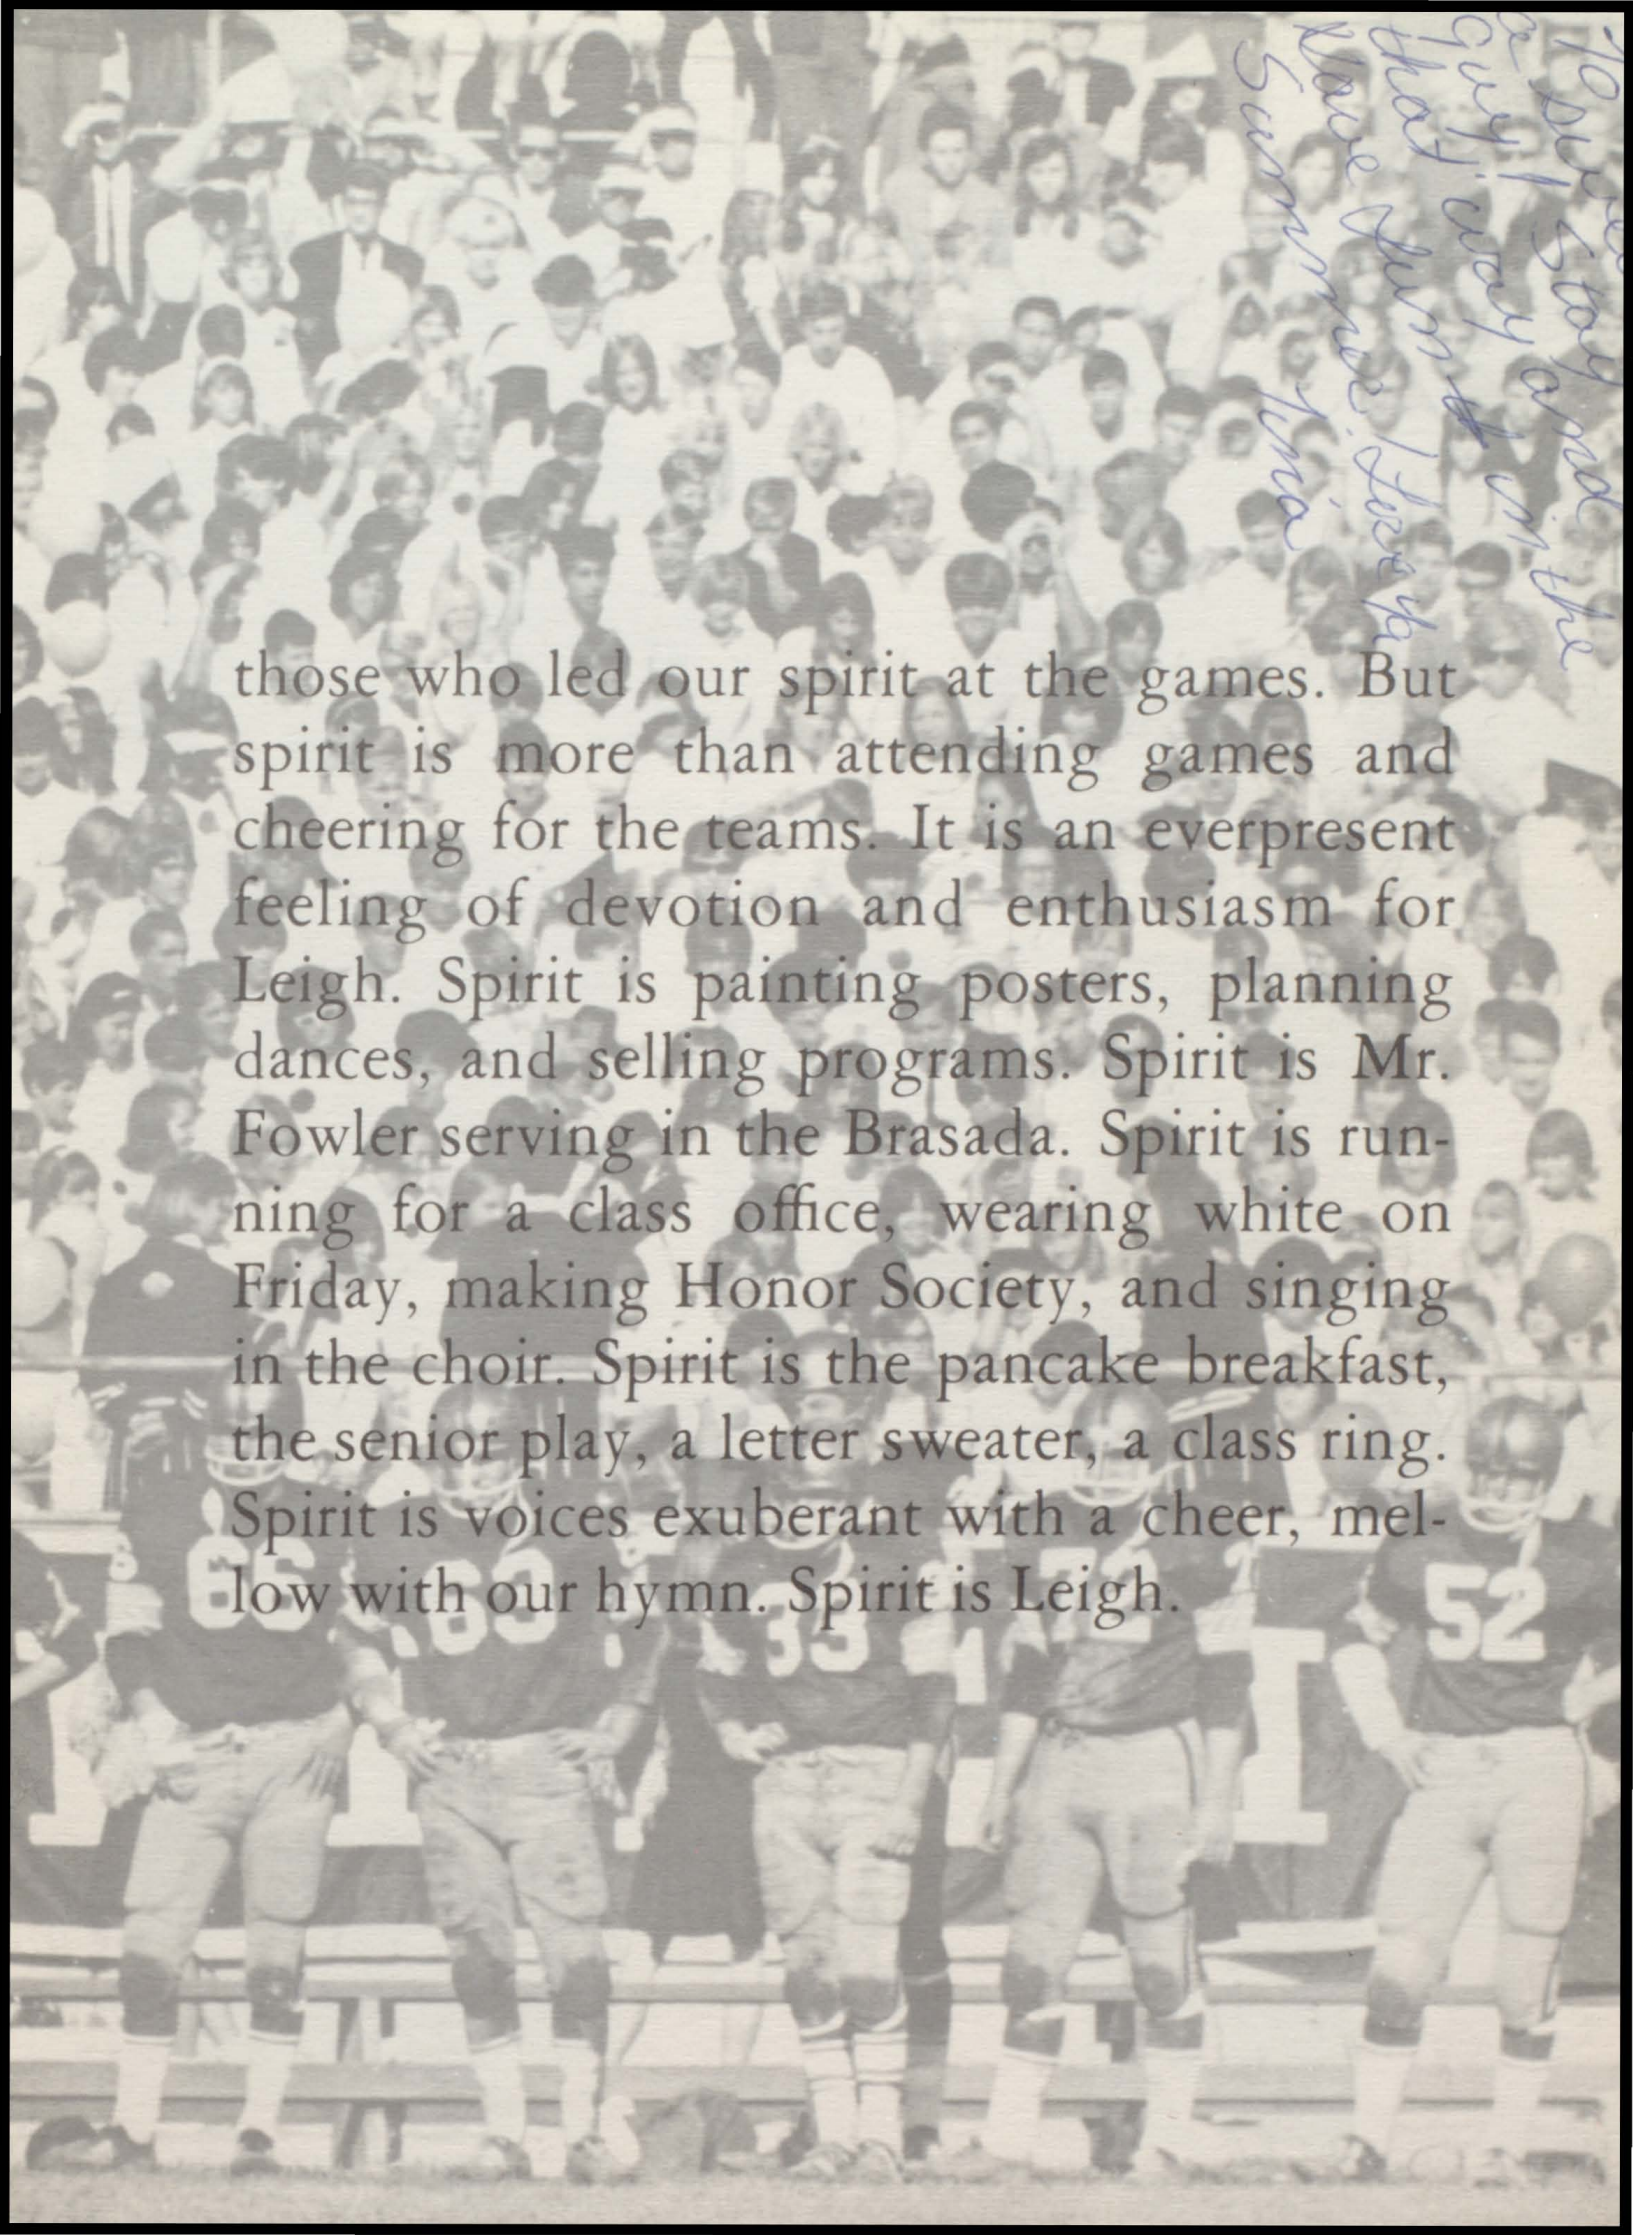


SPIRIT

"Nothing great was ever achieved without enthusiasm." Ralph Waldo Emerson.

During the years that Leigh has been in existence, our spirit of loyalty and devotion to it has continued to grow. It was this spirit which made this a great year at Leigh.

On the inside cover we have pictured



those who led our spirit at the games. But spirit is more than attending games and cheering for the teams. It is an everpresent feeling of devotion and enthusiasm for Leigh. Spirit is painting posters, planning dances, and selling programs. Spirit is Mr. Fowler serving in the Brasada. Spirit is running for a class office, wearing white on Friday, making Honor Society, and singing in the choir. Spirit is the pancake breakfast, the senior play, a letter sweater, a class ring. Spirit is voices exuberant with a cheer, mellow with our hymn. Spirit is Leigh.

STUDENT

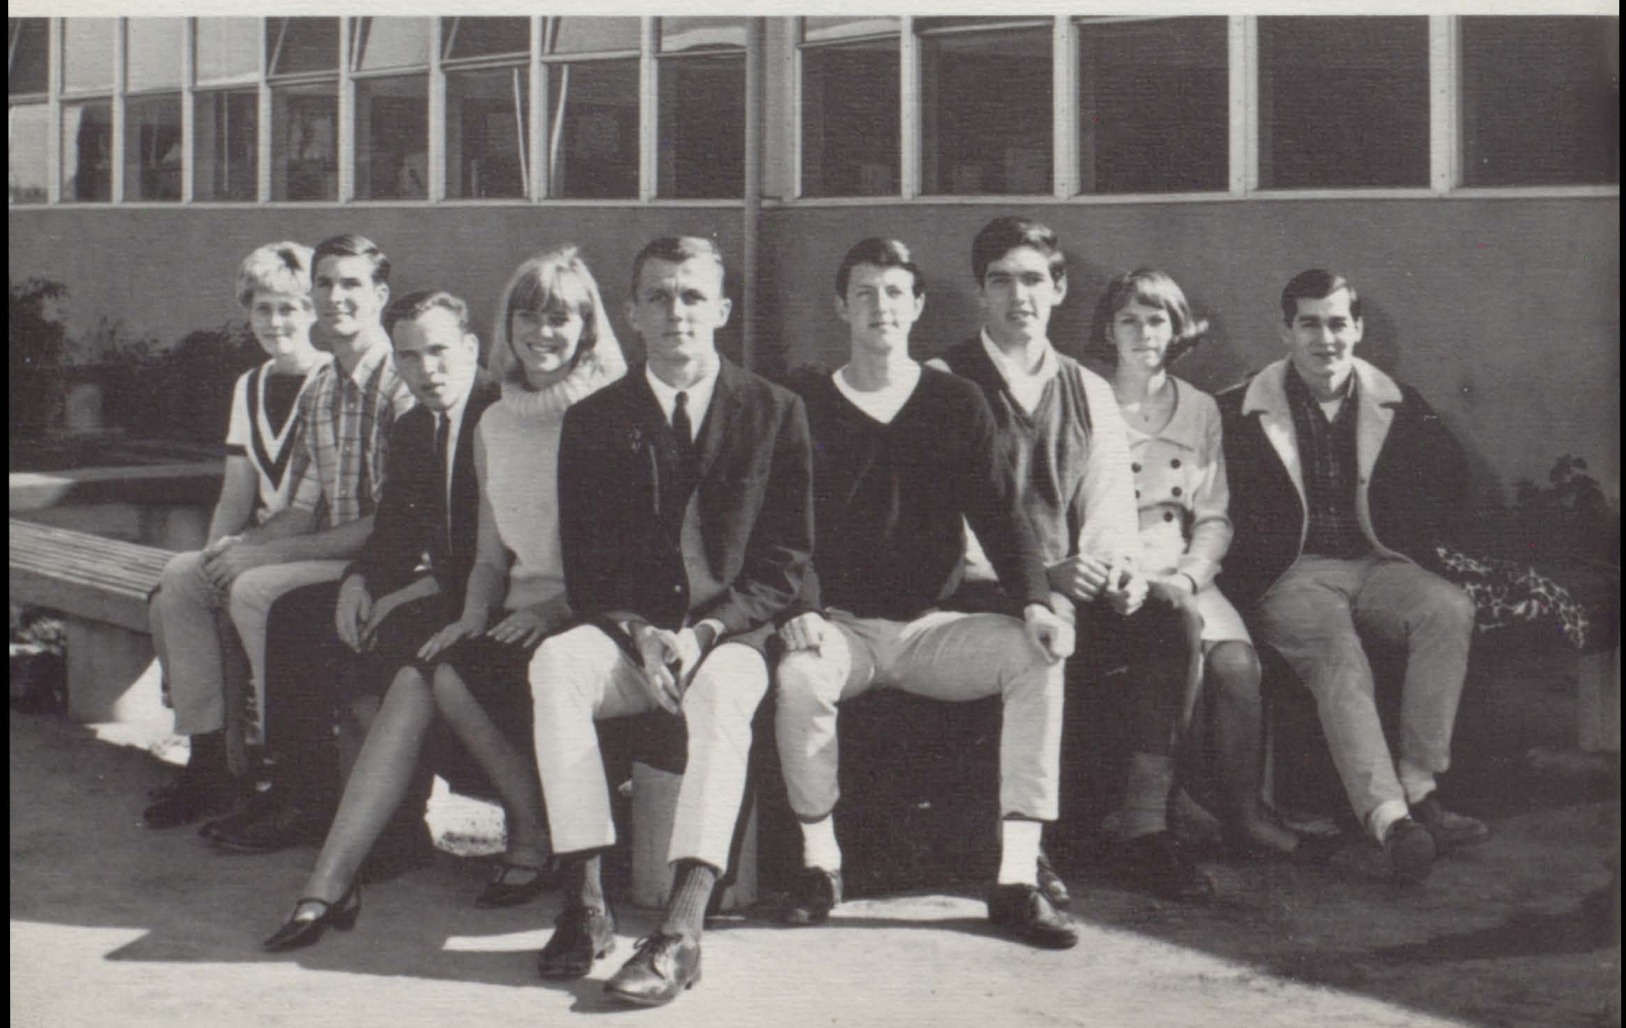
Dale Hardester

Someone once pointed out that our nation seems to be the only nation that asks its teen-agers what to do about world-affairs, and tells its golden-agers to go out and play. Realizing that this is true, I feel that Leigh High School has been the grooming place of many of our future leaders in many fields. This truth is easily pointed out, in view of the accomplishments, the spirit and drive of her students.

John F. Kennedy appealed to us all when he said, "Ask not what your country can do for you; ask what you can do for your country." In a more direct and personal sense we can apply this to our situation at Leigh. Each of us has done this, thereby our goal of co-operation has been reached, making ourselves and Leigh High the greater for it. We cannot sit back in glory; we must strive onward; we must attain. The value of the individual depends on his goals and his endeavors to obtain them. The success of our school depends upon the individuals and what we make of ourselves. We are Leigh, and Leigh Rules!

Yours truly,

Dale Hardester
President Fall "66-67"



Kristy Sermersheim, Student manager; Greg Grant, Riley Pendergraft, Renate Reich, secretary; Dale Harderster, President; Pat Simmons, Vice President; Dan Willis, Harolla Flatt, Assistant Student Manager, Fred Franco.

COUNCIL

A well rounded year of success is the phrase that best fits the goals Leigh has reached this year; a year when the spirit and cooperation of our Student Body has upheld the tradition of winning the Spirit Trophy for the third consecutive time. A year when athletic and academic achievement has come to an all time high; a year in which we can proudly say, "Leigh Rules."

We then, at Leigh should feel both proud and humble to have been a part of the youth of today—the leadership force of tomorrow.

Respectfully,

Greg Grant
President Spring "66-67

When you are old and gray
and full of sleep,
And nodding by the fire,
take down this book,
And slowly read, and dream
of the soft look
Your eyes had once, and of
their shadows deep; . . .

William Butler Yeats

Coach Charles Maraldo

This was our golden year; the year of a tremendous championship football team. This team of 1966 will long live in the minds and hearts of our students and alumni as a team that exhibited the utmost in courage, loyalty and desire.

When faced with a challenge, these athletes rose to the occasion to meet and conquer that challenge. This team upheld and added to our now famous tradition of championship teams.

This squad will be remembered not only for its offensive power, (setting a school record for most points scored in a season), but will stand out as another of Leigh's famous defensive teams. Their motto was; "If we can score twice, we'll win!"

Since Leigh High School opened, five years ago, it has never lost a Cross Country Championship. This year we were W.V.A.L. Champs for the fifth consecutive time and were undefeated in league competition. Last year, according to Track and Field News, we had a national ranking of 16th. This year we also expect to be in the top twenty.

Outstanding individuals on the varsity were Bill Mackey and Dennis Schaller, who finished first and second in every league race, including the finals. Mackey will also compete in the High School Invitational two mile runs in the indoor meets held at the Cow Palace and Oakland Arena. Mackey went on to win the Central Coast Section meet, setting a new course and Central Coast Section record of 10:19 for 2.2 miles. Schaller finished ninth in the Central Coast Section meet, and both boys were elected to the All-Northern California team. Keith Duvall, league champion miler was a consistent third placer on the varsity, followed by Reinhard Wolff, German foreign exchange student.

COACH'S MESSAGE

Leigh High has had, since its founding in 1962, the highest of standards—academically socially, and athletically. As coach of the 1966-67 Varsity Basketball team, I am especially proud to have had the opportunity to be a part of this fine tradition.

Climaxing a very successful season with a 17-7 record and a 10-4 league record, the Longhorns placed second in a hard-fought league.

Steady, dependable performance by Pat Linane and Mike Musgraves contributed greatly to the team effort, while Dan Willis, Butch King, and Mark Horrigan performed outstandingly in key games. Seniors Jim Chasey, Mike Hatzell, Greg Grant, and Kirk Weiberg contributed much to the team's success, and helped to make it a strong team, giving up an average of 58.5 points per game while scoring an average of 66.5 points per game. Doug Clark, Dennis Cain, Rich Elder, Kerry Woo, Jim Townsend, and Court Hanley rounded out the Longhorn Squad and gave us the depth needed for such a fine team.

Special honors went to:

Dan Willis, first team All-League and Leigh's Most Valuable Player

Butch King, second team All-League and Leigh's team captain

Pat Linane, second team All-League and Leigh's Most Improved Player

Mark Horrigan, honorable mention All-League

Dear Leigh High,

The American Field Service motto—

"Walk together, talk together,
O ye people of the earth:
Then, and only then,
Shall ye have peace."

has greater meaning to me now after my year's stay in Pretoria, Republic of South Africa. I firmly believe that walking together and talking together is the only path toward peace.

The year was a challenging experience for me to broaden the outlook of our country for other people while learning about their country.

I want to thank you, the student body, for giving me the privilege of representing you in my second home.

Thank you,
Skip Barkis

I came here with the Youth for Understanding program. This is an organization that promotes the exchange of students to different parts of the world. I was one of the lucky boys that had the opportunity to be here with you in this great school. I would like to say that I am very happy to have been here at Leigh High School with you.

I think Leigh is one of the better schools that I have attended because the teachers have helped me to achieve a higher level of education through their advanced teaching methods. I feel that this year at Leigh has helped me to meet people more easily.

Norma Arce

Before I came to America, a normal school day consisted of five hours. At 1:00 pm I ate dinner and we had our supper at 7 or 8 pm. It is slightly different here. In this way I had to get my stomach to accept the new order.

Another thing was that I had never thought that I combined Christmas with snow, but when there was no snow but only rain over Christmas I felt something was missing.

Many other differences I would have noticed were already prepared in my mind by my exchange organization "Youth for Understanding".

Even yet my good opinion of the U.S. has only been improved and I am sure it will stay this way.

Reinhard Strey

When I first heard of Leigh and its big size, I was afraid I would find a very impersonal treatment of the students and that everyone would be a stranger to the other one. But I had to change my mind completely about that. Although Leigh has so many students, each of them is cared for by his counselor and is treated as an individual. And certainly many things are being done to bring all the students in contact with each other. For me it has been fun. I am proud of having been a member of this magnificent school and thank each one of its great student body for accepting me as one of its members.
